

Newsletter June 2025

Hello U3A Photographers.

Firstly my thanks to Suzy for organising the group visit to Royal Victoria Park last month.

I believe there were a couple of themes on the day and your mixture of photos reflects this.

Cones!

Our theme for June will be "Letters". As usual upload to the Facebook page and a selection will also appear in the next newsletter.

We also managed to fit in an evening visit to Bosham this month where we found some excellent light and a half decent pub.

Please note - our next evening meeting will be on Wednesday 25th June 7pm in Old Portsmouth. This is a change from the original date of 26th June.

Our main meeting this month will take place on Thursday 12th June at Poole Quay. Meet in Harbourside Car Park No. 1, Labrador Drive, Poole BH15 1UX. The drive should take about 1 hour 20m so I suggest leaving around 9.15 to meet up at 11.00. For parking prices see below.

From the car park it is an easy flat walk along the harbour to the quay where there are boats, ferries, cafes, pubs etc etc.
