

Newsletter May 2025

Welcome to Summer U3A Photographers. As I write this we have just entered the first mini heatwave of the year. The last month has not only seen our group stepping over the county border into Dorset but also our first evening meeting of the year and it didn't rain on either occasion! Our main meeting took place in Christchurch and we kick off with a postcard style montage from Andy:

Bernadette Grima

Clive Midson

Patricia King

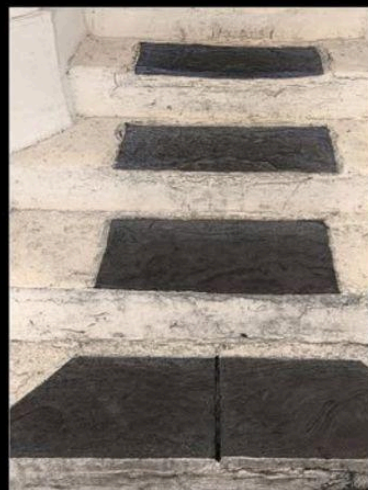

Stewart England

Suzy Gardiner

Our theme for April was "Worn" and as usual there were many different interpretations of the subject. Unsurprisingly there were a few boats included.....

Our theme for May will be "RED".
As usual post your photos to our Facebook group.

As mentioned earlier we had an evening meeting at Langstone on 24th April where we followed our photoshoot with a visit to the Ship Inn.

There will be another evening meeting on 22nd May 7pm at Bosham. Meet in the main car park. We will finish with a drink in the Anchor Bleu. If the weather doesn't play ball then I'll contact everyone on Whatsapp.

Please note the following alteration to the provisional programme which I issued a few weeks ago.

12th June now meeting at Poole Quay

10th July Day trip to Brighton

I will be away during the week of our next meeting on 8th May but Suzy has kindly offered to organise a photoshoot at Victoria Country Park, Netley and she will email details nearer the time.
