

The logo for U3A Horndean and District Photography Group is displayed on a yellow and blue background. The text 'u3a' is in a large, blue, lowercase font, with 'Horndean and District' in a smaller, blue, lowercase font below it. A black horizontal bar with the text 'Photography Group' in white is positioned below the main text.

Newsletter February 2026

A happy new year to all our U3A Snappers. After our indoor meeting in December and the cancellation of the Hayling visit last month, it will be good to get out and about again. I intend going back to Hayling soon and have checked out Waverley Abbey between Hindhead and Farnham which is very suitable for a photoshoot. At present the latter is fairly waterlogged so I will leave it for a few weeks. I am grateful to Anne for the suggestion. As the weather is still unpredictable, I am planning to go to Gunwharf Quays for our meeting on 12th February. I cannot go too far as I have a hospital appointment in the morning and Suzy has discovered that there is an art exhibition taking place there starting that day. Details can be found at:

<https://aspex.org.uk/exhibition/pride-of-portsmouth-lion-exhibition/>

As usual I will email details of timings before the day.

If any of you have thoughts on other venues, do let me know. If reasonably local I am happy to do a recce first.

Our theme for December was red and green, the colours usually associated with Christmas.
