

## Newsletter August 2024

Following my travels during the last half of June normal service has (more or less) been resumed. We attempted an evening photoshoot at Hayling but as seems normal this year, rain got in the way. By way of compensation, we had a hot and sunny afternoon at Selborne which coincidentally took place almost exactly five years after our previous visit there. A selection of your photos are below.

Last month's theme of Transport proved quite popular and we had many interpretations.

Our theme for August will be "Sport". Please upload your images to our Facebook page as usual.

As stated earlier, our meeting this month will be at Eling Tide Mill on 15th August at 1.30pm. Postcode is SO40 9HD. Here you will find a tiny harbour, a picturesque village and church along with a riverside walk. There are also views across to Southampton Docks. All this is free, including the parking, although this requires a £1 bridge toll to access. Card payment accepted. Should you wish to see the inside of the mill, there is an admission charge of £5.75 for seniors. Further details available at [www.elingexperience.co.uk](http://www.elingexperience.co.uk)

Don't forget - from September onwards we will be meeting on the second Thursday of the month.

Finally - The Denmead Horticultural Society is holding its Summer Show at All Saints Church and grounds on 17th August. This includes a photography competition. Full details can be found at:
