Our theme for May was "Pair" and a very popular one it was - so without further ado, here are some of your images

The theme for June was drawn at our Hillhead meeting and will be "Monuments"

Our May meeting took place at Hillhead - postponed from April. For a while it looked as though it would be cancelled yet again as there was heavy rain through the morning. Happily this had dried by the time we arrived, although some of us had to fight our way through an unexpected closure on the road from Lee on Solent. In the end we found it easier to park up and walk the rest of the way. Here are some of the results.

As I said at Hillhead, I shall be away during the second half of next month, so Suzy will be organising the meeting for 20th June. This will take place at Arundel and will be centred around Swanbourne Lake and the Wetlands area. Recommended parking areas are Fitzalen Car Park Postcode BN18 9JG or Mill Road BN18 9PA. Suzy will send details nearer the time.
