Hello U3A Snappers

I am writing this in a temperature of around 34C which is ironic as just two weeks ago we had to cancel a photoshoot because the weather was so poor. We did manage a visit to Westbourne one evening last week, where the weather proved kinder as you will see from the photographs.

I know that some (including me) were looking forward to visiting Guildford so I am planning another visit on Thursday 9th July, meet 11.30 am outside Guildford railway station (town side).

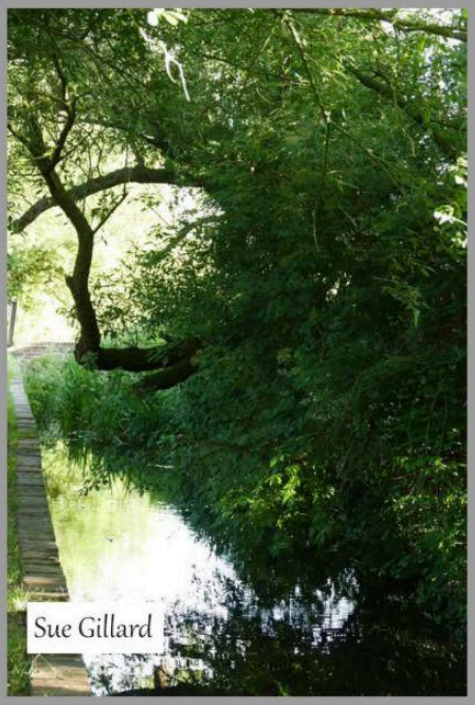

As before, I plan to get the 10.47 train from Petersfield (10.34 from Havant) which arrives at 11.18. Car Parks are avilable at £4.30 for 3 hours or £8.60 for 6 hours at the following locations.

And finally.....

The theme for July will be "Ripples". Please upload your images to our Facebook page as usual.

At the risk of causing an upset in the weather, I would like to suggest another evening meeting this month. I am open to suggestions but for now am planning Petersfield Lake on Thursday 23rd July. Meet 7pm in the car park off Sussex Road. Followed by a drink in the Hampshire Hog on the way back?

I will be sending reminders of both planned meetings.
