Newsletter June2026

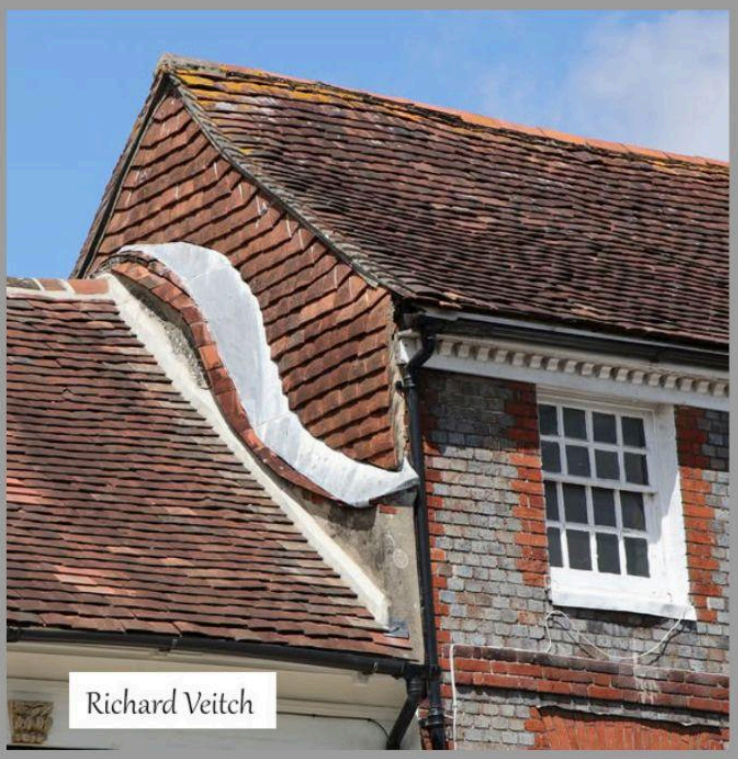

Unfortunately we have to end May with some sad news - our fellow group member, Stewart England passed away this week. He had been struggling with medical problems for some time but had always maintained his cheerful, friendly manner despite everything. Just to remind ourselves of his sense of humour, here is a photo of him taken by Suzy on a group outing to Chichester a couple of years ago.

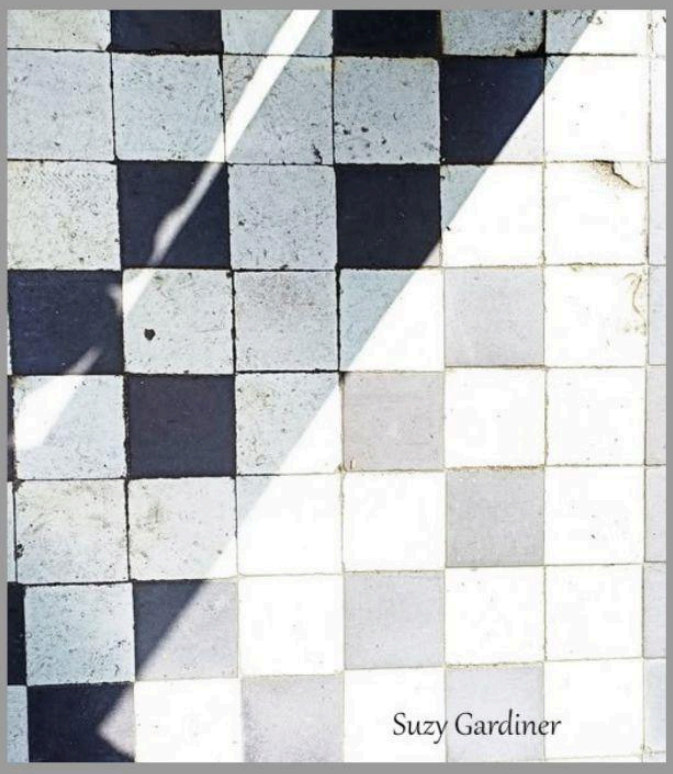

My thanks to Suzy for organising the May monthly meeting in Wickham. The theme was "Tiles and Ties" and here are a few examples which I found on our Facebook page.

The theme for the month of May was "Empty Spaces" and here are a few contributions.

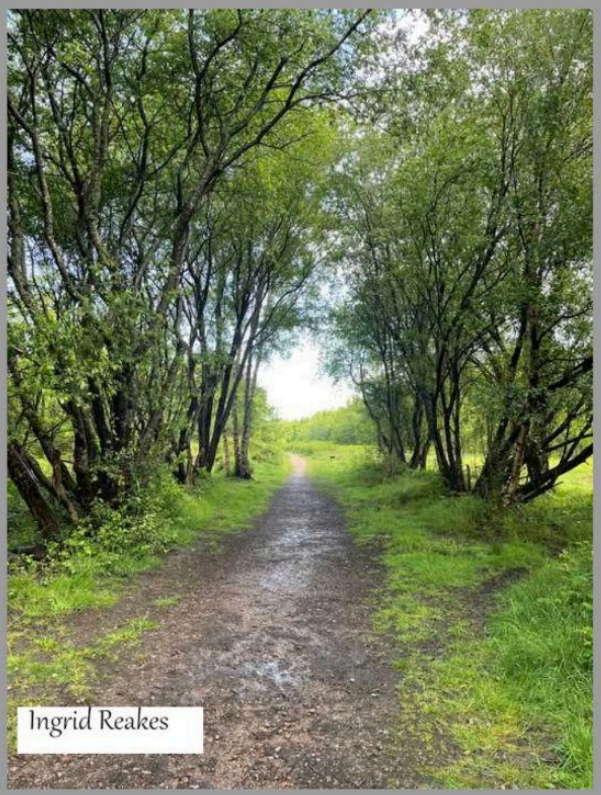

Our theme for June will be "Round". As usual please upload your orbital efforts to our Facebook page.

Our next monthly meeting is due on Thursday 11th June and for this month I am proposing a trip up to Guildford. For those (like me) who find driving there a challenge, there is a direct rail line to the town centre.

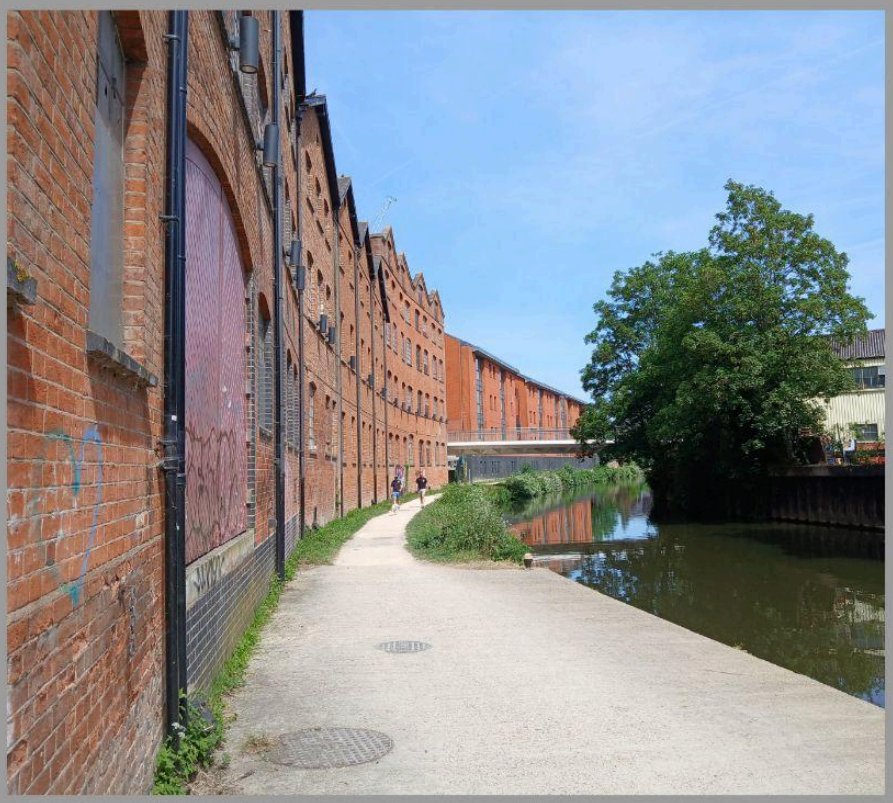

My suggestion is the train leaving Havant at 10.34 which calls at Petersfield at 10.47 and arrives at Guildford at 11.18. Leave from either whichever suits. If you travel by car then meet us outside the station (town side) at 11.30.

River Wey - Guildford town centre

From Guildford station it is a short walk to the River Wey from where you can continue along the bankside. The Castle can be accessed from here as can the High St. This has many old buildings as well as the usual modern shops.

There are also quite a few decent cafes and pubs at least one of which I will be recommending as a place to finish up with a couple of pints. (Which is why I suggested the train!)
