Our theme for last month was "Space" and this was Di's entry which I imagine was taken from the Port Solent area? A great image anyhow. More Space images follow.

Our meeting last month saw us return to Bishops Waltham to visit the local Camera Club Exhibition. Having seen how it should be done we had a wander round the town and Palace.

Our next meeting is due to take place on Thursday 8th October and will be at Petworth. NOT the park but the town centre. We have visited the park before but the town itself is very quaint with a few interesting little corners. Meet 11.30am in the centre car park 28 Pound St Petworth GU28 0DX. (Toilets available) Should you wish to visit the park (National Trust) as well you will be able to later. I might also call in at Burton Mill Pond GU28 0JR on the way back.

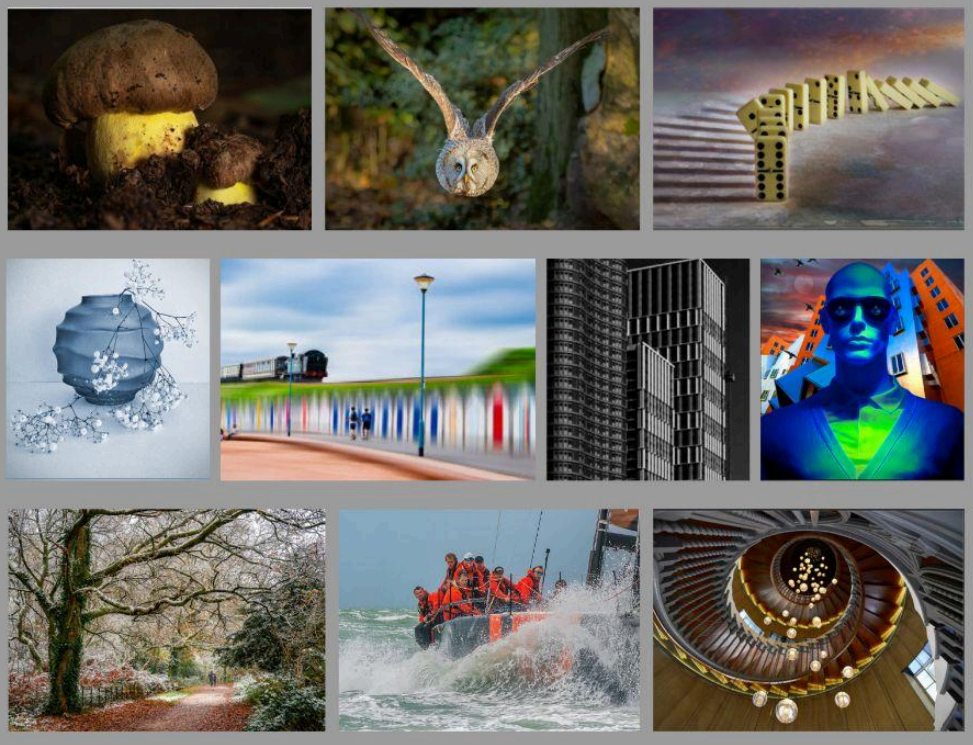

And finally.....should you find yourself at a loose end on 17/18th October, why not come along to the Horndean Camera Club Exhibition at St Wilfreds Church, Padnell Rd, Cowplain? There is an Art Group show downstairs with some amazing photographers work featured in the Upper Hall.
